### *Terroir*

The soil is clayey and deep although there is more limestone in the upper part of the parcel. These vines are situated at the start of the slope and face east.

### *Tasting*

The wine expresses itself through freshness and fruit. Its structure is complex and deep, its substance rich; it is opulent without being heavy.

### *Vintage*

A no doubt exceptional vintage is in the making. The summer was hot with wet passages abundant in August. We harvest from 1 to 12 September a perfect maturity and in a perfect state of health.

Chardonnay are already very expressive, with lovely notes of summer fruits, balanced by an impressive crispness and richness in the mouth. Pinot Noir are showing some intense, bright colors, vintage gourmet with notes of red berries, the tannins are silky and rounded will reveal its full splendor in years to come.
