### *Terroir*

Mid-slope and predominantly limestone (Lavières comes from the word "lave" which here has nothing volcanic about it but was the term used in the past to describe the flat limestone slabs used to cover the roofs). In fact, these famous stones are found here in the sub-soil. The vines are more than 50 years old. We are in the finest part of the appellation.

### *Tasting*

The wine is very elegant, with a fine and precise structure expressing strong minerality. This gives great aromatic complexity that is enhanced through ageing. In its youth, floral aromas such as violet are found, with a touch of liquorice. Slightly smoky and gun-flinty, it possesses great persistence on the palate.

### *Vintage*

A no doubt exceptional vintage is in the making. The summer was hot with wet passages abundant in August. We harvest from 1 to 12 September a perfect maturity and in a perfect state of health.

Chardonnay are already very expressive, with lovely notes of summer fruits, balanced by an impressive crispness and richness in the mouth. Pinot Noir are showing some intense, bright colors, vintage gourmet with notes of red berries, the tannins are silky and rounded will reveal its full splendor in years to come.
